OEM & INDUSTRIAL DIVISION

Sensors

- Solenoid Valves - On/Off and Proportional
- Pneumatically Actuated Piston Valves
- Pressure / Temperature Switches
- Pneumatic Directional Control Valves
- Cylinders and Motion Controls
- Filters, Regulators, Lubricators
- Micro-Miniature Solenoid Valves
- Combustion Valves, Solenoid and Hydramotor Actuated
- Stainless Steel Pressure Transducers & Transmitters
- Valve Monitoring Systems
- Custom OEM Products

- Timers, Counters and Relays
- Time Delay Relays
- Voltage, Current, Phase, Frequency Monitoring Relays
- Digital Panel Meters
- Process and Temperature Controllers
- Pump and Level Controllers
- Tachometers and Generators
- Sensors—Photoelectric, Proximity, Fiber Optic, Temperature

- Air Flow and Combustion Gas Switches
- Temperature Indicators and Controllers
- Custom Electronics and Wiring Harnesses
- Programmable Timers

canfield connector

- Solenoid Electrical Connectors
- Timers, Suppressers
- Cylinder Proximity Sensors

- Specialty Components
- Expansion Chambers
- Breather Vents - Vacuum or Pressure
- Liquid Level Gauges
- Oilers and Lubrication Systems

- Power Relays
- PC Board Relays
- Relay Sockets

- OEM Ultra Sensitive Pressure, Vacuum & Differential Switches

- Primary Burner Controls
- Flame Safeguard
- Ultra-Violet and Infra-Red Scanners
- Display and Annunciator Systems

- Digital Panel Meters and Controllers for Flow, Level, Pressure, Temperature
